Scouting Around

Self-Reliance Is Motto Of Troop 728

Scoutmaster Herman Boodman takes the Boy Scouts' principle of self-reliance very literally, and so do the 32 members of his troop.

Boodman's Troop 728, sponsored by the Fern Greenwood Elementary school, where Boodman is a seventh grade instructor, accept help from no one. They go out performing all kinds of work to raise money for the needs of their troop.

Last summer, the troop raised enough money to take a 16-day camping trip in Canada. Now they're setting aside their earnings for a collective trip to Hawaii.

The boys develop the principle of good citizenship, as well. They have helped out at the Red Cross Blood Bank, ushered at City Hall, conducted "get out the vote" campaigns, and participated in community fund drives.

Their work as good citizens has been recognized, and for the last two years two members of Troop 728 have won trips to the famed Philmont Scout Ranch in New Mexico. The trips are awarded annually to outstanding scouts in outstanding troops.

Boodman, himself, was recently selected "Scoutmaster of the Week" and appeared on a KFI radio show.

He lives at 18702 Cerise ave., with his wife, Violet, and their two children Terry 5, and Scott

community sing followed by an exciting movie called "Thrill a Second."

Bob Cooper, former Scoutmaster of the group and now Harbor District Chairman gave the aims of the Scout Program. He compared a son to a piece of rope you cannot push but you can and should lead him. On the Merit Badge program, he emphasized the fact a boy earns an achievement not passes a test.

The assistance of the dads will be asked in working on various Merit Badges in which they may be proficient.

Ken Miller, Explorer Advisor and Rickard were in charge of the dinner which was the idea and project of the explorers. The Troop is sponsored by Moose Lodge 785.
